It's time to attract the workforce you need!

ND Career Builders is a skilled workforce program designed to **recruit talent into high-need and emerging occupations through a partnership of businesses, colleges and students.** The program is a valuable long-term workforce resource and is most impactful with industry involvement.

The scholarship and loan repayment programs target the workforce needs of North Dakota with an overarching goal of reducing the number of unfilled skilled workforce jobs. **The Career Builders Program provides loan repayment or scholarships to students.** Students can receive scholarships for attending two-year schools in specific high-demand fields within North Dakota. If a student has or will complete a four-year degree and commits to working in North Dakota for three years, they will qualify for the loan repayment portion of the program.
