

July 11<sup>th</sup> 1900.

Chairman Thiffr. Presiding.

Moved by Mr Seltuit and seconded by Mr Burkhardt that it appearing to this Board that many of the Town Boards of Review have been careless and negligent in their duties in that they have not taken proper time and pains to carefully compare and check through the assessment as returned by the assessors, and some of them only taking time to open and sign the same, and that a large majority of the said Town Boards have been in the habit of allowing and paying the assessors account before said assessors have made proper returns to the County Auditor and getting his receipt for same; Therefore it is the sense of this Board that all such town Boards are subject to censure which motion was carried all members voting "aye"

The minute of this Board were read and on motion were approved as read.

The orders of this board, as the County Board of equalization being completed; on motion it adjourned sine die
