

Declaration of Emergency

City of _____

WHEREAS, The City of _____ has suffered damages to it's infrastructure within its jurisdiction caused by spring melting, spring runoff, and rainfall. These conditions intensified due to wet conditions from late fall rains and spring ground frost at the time of our spring melting and rainfall;

WHEREAS, the impact of these damages are a threat to the health, well-being, and public safety of the residents and public within the City of _____;

WHEREAS, the costs of repairs, replacements, and safety measures taken for the protection of such areas within _____ City are exceeding the available resources of the City.

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of _____ declare that a State of Emergency does exist in _____ located in the County of Sargent, North Dakota.

Dated this ____ day of _____, 2009 at a special emergency meeting held at the City Hall in _____, ND.
